**BUILDING PROGRAM****Maintenance Funds****Motion:**

Move to require agencies to submit a workplan to DOA on expenditure of maintenance funds appropriated each agency under their operating budget. Allow DOA to specify the timeframe to be covered by the workplan and the date the workplan is to be submitted. Allow that DOA may also withhold any maintenance funding appropriated to the individual agencies for significant maintenance projects determined by DOA. Require that Building Commission would have to approve the workplan. Further, require DOA to submit a report to the Joint Finance Committee relating to the expenditure of maintenance funds on maintenance completed in each agency.
