and has been unable to find an unsubsidized job. Further, specify that a W-2 agency must place a person who is incapable of performing an up-front job search in a subsidized employment position immediately upon determining that the person meets the eligibility requirements.

10. LFB Paper #1084. Alternative A2. Modify the Governor's recommendation by providing \$3,519,000 in 1999-00 for start-up funding for new W-2 agencies. This option assumes that 17 new agencies would receive an average of \$207,000, based on the average start-up funding provided for the initial contracts for all of the agencies outside of Milwaukee County. Compared to the bill, this is a decrease of \$3,665,400 FED.

11. LFB Paper #1084. Alternative B1. Modify the Governor's recommendation by placing start-up funding in the Joint Committee on Finance's program supplements appropriation. The funding could be released under s. 13.10 upon approval by the Committee of a plan regarding the use of these funds submitted by the Department after more information is available regarding the number of new W-2 agencies for the next contract period.

12. LFB Paper #1085. Alternative 2. Modify the Governor's proposal by requiring DWD to contract with an existing W-2 agency to administer the W-2 program if that agency has met the performance standards established by the Department with input from a statewide advisory group. Require the Department to establish a process for public input into the W-2 program, including the contract process, similar to the process established by DHFS with respect to the managed care program, including forming a statewide advisory group, regional forums and special workgroups to address issues of concern to interested parties. Direct the Department to allow all members of the public to participate in the workgroups. Specify that these provisions would first apply to the performance standards included in the third round of W-2 agency contracts.

13. LFB Paper #1086. Alternative A1. Direct the Department to amend the request for proposals for administration of the W-2 program for the period January 1, 2000 through December 31, 2001 to define the term "entered employment transaction" under the job retention performance criterion.

14. LFB Paper #1086. Alternative A3. Direct the Department to modify the "full and appropriate engagement" criterion as follows: (a) define full and appropriate engagement for each individual who is required to participate in the food stamp employment and training (FSET) program as engagement in activities equal to the household's monthly food stamp benefit divided by the minimum wage; (b) eliminate the provision that would specify that full and appropriate engagement for W-2 subsidized employment participants is engagement in appropriate activities for at least 30 hours per week; and (c) clarify that for two-parent families, engagement in work activities is defined as 55 hours per week for both parents if the family is receiving federally funded child care assistance and the second parent in the family is not disabled or caring for a severely disabled child.

15. LFB Paper #1086. Alternative B1. Modify the bill by adopting statutory provisions to require DWD to base any profit calculation under the W-2 agency contracts on measures of agency performance including: (a) the placement of W-2 applicants and participants into

unsubsidized jobs; (b) whether the jobs are full-time or part-time; (c) job retention by former applicants or participants; (d) wages and benefits earned by former applicants or participants; (e) appropriate implementation of all components of the program; and (f) customer satisfaction. In addition, specify that W-2 agency contracts may not permit agencies to receive profits based on caseload decreases or reduced agency spending that are not directly attributable to placement of W-2 participants in unsubsidized employment. Finally, require the Department to develop a system to track former applicants and participants to ensure that agency performance is reliably measured.

16. LFB Paper #1086. Modify the bill by requiring the Department to promulgate administrative rules regarding the criteria for use of the community reinvestment funding (called the "restricted use performance bonus" under the RFP for the next W-2 agency contracts). Eliminate funding for the 4% performance bonus from the W-2 agency contract allocations. Instead, distribute this funding to counties, based on the final contract allocation, for community reinvestment in accordance with DWD's rules. Specify that the use of community reinvestment funds would have to be determined by the County Board. Require DWD to certify that such expenditures would comply with the federal restrictions regarding the use of TANF funding.

allocation?

17. LFB Paper #1087. Alternative 2. Modify the Governor's recommendation by reducing the contingency fund from \$90 million to \$95 million FED.

18. LFB Paper #1087. Alternative 3. Modify the Governor's recommendation by placing \$95 million for contingency payments in the Joint Committee on Finance's program supplements appropriation for release under s. 13.10.

No draft

19. LFB Paper #1088. Alternative 1. Increase funding by \$17,800,000 FED in 1999-00 and \$18,675,000 FED in 2000-01 to reflect a reestimate of the current law child care subsidy program. This would provide total funding of \$154,300,000 in 1999-00 and \$162,000,000 in 2000-01 for the current program.

No draft

20. LFB Paper #1088. Alternative 2. Reestimate the Governor's recommendations related to expanding child care eligibility and making modifications to the copay schedule by decreasing funding by \$4,070,000 FED in 1999-00 and increasing funding by \$300,000 FED in 2000-01. Specify that these modifications, with the exception of the educational activities-related item, would take effect on March 1, 2000.

No draft

21. LFB Paper #1088. Alternative 3. Reduce funding by \$9,050,900 FED in 1999-00 and eliminate the contingency reserve for direct child care.

JAY
60542

22. LFB Paper # 1088. Limit the copay requirement for 18- and 19-year-old parents who are attending high school or pursuing a GED to the minimum copayment amount for each type of child care and for the appropriate number of children in subsidized care, effective March 1, 2000. Currently, minor teen parents who are not Learnfare participants pay the minimum copay amount and minor teen parents who are Learnfare participants have no copay requirement. Increase funding for child care subsidies by \$100,000 FED in 1999-00 and \$400,000 FED in 2000-01.

Subject: Redraft Requests

Hi Tina: I have the following redraft requests:

1. LRB 0524/1: Economic Support Allocations: First, I guess yesterday I didn't realize what you were really doing with this draft. Under current law, there are two subsections. 49.175 (2) should not be repealed entirely. Alternative 4 on paper # 1116 was approved: this says to eliminate the authority of DWD to use up to 10% of any allocation for a purpose specified in any of the other statutory allocations without approval by the Finance Committee. Instead, any transfer among the statutory allocations would require approval by the Secretary of Administration and the Committee under a 14-day passive review process. In addition, the following changes need to be made to the draft:

a. Page 2, Line 13-14: That number includes several changes, and I am wondering what your opinion is on included more detailed information. Call me tomorrow to discuss (I should be here!).

b. Page 2, Line 18, after distribute, include "or transfer"; also should the word "until", be "unless"?

c. Page 5, Line 7, delete "24,495,700" and insert \$24,489,400

d. Page 5, Line 8, delete "26,116,100" and insert \$26,109,800"

e. page 5, Line 11, delete "24,495,700" and insert "13,745,200"

f. Page 5, Line 12, delete "26,116,100" and insert "17,930,000"

g. Page 5, Line 15 and Page 5, Line 20-21, is the first line after the title through (md) necessary?

h. Page 6, Line 5, delete "\$1,806,400" and insert "\$1,808,300"

i. Page 6, Line 17, delete "department of revenue" and insert "appropriation under 20.835 (?) [this is the eitc appropriation - i'm sorry I don't know which one it is,]

j. Page 6, Line 20, delete "for community economic development"

k. Page 7, Line 5, delete "a jobs initiative in a first class city", and insert "the Milwaukee Jobs Initiative, Inc."

2. LRB 0541/1: W-2 profit calculation. This one is going to require some explanation. Please call.

3. LRB 0550/2: Family Literacy. On page 1, line 8, delete "\$15,000,000" and insert "1,404,100"

4. LRB 0545/2: Partial csjs, etc: Page 8, delete lines 10 through 14

5. LRB 0551/2: Substance Abuse Grants: Page 1, line 9; delete "of 200%" and insert "of not more than 200%"

6. LRB 0609/1: Community Youth Grants: Page 1, Lines 6-7: although the motion says to Boys and Girls Clubs of America, the intention is to provide the funds to the clubs in Wisconsin -- do you think this needs more explanation? Also, Page 1, Line 8, delete "\$75,000,000" and insert "\$75,000"

7. LRB 0616/1: Food Stamp eligibility...: I forgot to mention in my drafting instructions that the Governor's provision to expand the categories of individuals whom the W-2 agencies must determine eligibility for and issue food coupons to was eliminated. So, the draft needs to delete those sections of the bill.

Thanks. I am going home now. I am having breakfast with a friend at 9:00 am, but should be in after 11:00 am or so.
