## ALTERNATIVES TO BASE

1. Approve the Building Commission's recommendation to enumerate the construction of a production bakery for the Department of Corrections to produce breads and other baked products for institutions in southeastern Wisconsin and provide \$3,700,000 in program revenue supported borrowing for the construction.

<b>Alternative 1</b>	<b>BR</b>

[Change to Bill]	\$3,700,000]

2. Delete the Building Commission's recommendation to enumerate the construction of a production bakery for the Department of Corrections. Require DOA to conduct a study of a production bakery for Corrections to produce breads and other baked products for institutions in southeastern Wisconsin which would address: (a) the specific size of the bakery; (b) the potential customers of the bakery, including other governmental entities; and (c) operational details of the facility, including, but not limited to, how the facility would be funded and staffed, projected revenues and expenditures for the bakery, and any offsetting staff and cost reductions that can be made in Corrections, DHFS, DPI and DVA as the result of a centralized bakery.

3. Delete the Building Commission's recommendation to enumerate the construction of a production bakery for the Department of Corrections.
