David Schug:

It is possible that a Wisconsin court would find that this amendment is a "private or local law" which, under art. IV, sec. 18 of the Wisconsin Constitution, must be enacted as single-subject legislation. If so, this amendment cannot validly be enacted as part of the budget bill, which clearly encompasses more than one subject. Under *Milwaukee Brewers Baseball Club v. Wisconsin Dept. of Health and Social Services*, 130 Wis. 2d 79, 115 (1986), "a legislative provision which is specific to any person, place or thing is a private or local law within the meaning of art. 4, sec. 18, unless: 1) the general subject matter of the provision relates to a state responsibility of statewide dimension; and 2) its enactment will have direct and immediate effect on a specific statewide concern or interest". ~~As it is difficult to predict the potential for and outcome of any court action on this amendment, you may wish to consider introducing this proposal as a separate bill.~~
