It is possible that a Wisconsin court may conclude that this amendment is a "private or local law". Under art. IV, sec. 18, of the Wisconsin Constitution, a "private or local law" is required to be enacted as single-subject legislation. If a court determined that this amendment constituted a "private or local law", the amendment cannot validly be enacted as part of the biennial budget act (which clearly encompasses more than one subject).

wfo please italicize

1. Please note that this amendment does not require DOT to mark the highway as the "John R. Plewa Memorial Lake Parkway".
