Jon Dyck:

A Wisconsin court may conclude that this amendment is a "private or local law". Under art. IV, sec. 18, of the Wisconsin Constitution, a "private or local law" is required to be enacted as single-subject legislation. If a court determined that this amendment constituted a "private or local law", the amendment cannot validly be enacted as part of the biennial budget act (which clearly encompasses more than one subject).

Please review this amendment carefully. If you have any questions or comments, please feel free to contact me.

I redrafted this amendment to reflect a change that I made on the master copy of SSA 1 to AB-133. I added the "notwithstanding" language to clarify that the department may erect the signs despite the general prohibition in s. 86.19 (1), stats.

If you have any questions, please contact me.
