Aztalan Park

Motion:

Move to allocate \$75,000 ~~500~~ in 1999-00 from tribal gaming receipts from the tourism marketing appropriation for completion of Phase II of upgrading at the Aztalan State Park which would include developing an overall public education and research strategy as well as a long-term interpretive and management plan. Further, require the Historical Society to work with the management at Aztalan State Park to achieve this upgrade in a timely fashion. Specify that this plan would include an interpretive/visitor's center, opening other portions of the site to the public and using visual effects to enhance the visitor's experience at the site.

D-note

In this redraft, I changed the appropriation for the deposit of the grant proceeds to s. 20.370 (1) (mk), as requested, although I don't think the appropriation text in current law <sup>cc</sup>accommodates the deposit very <sup>well</sup>. I assume <sup>m</sup>you do not want the appropriation language amended to specify either the receipt of the grant proceeds or the specific use.
