TRANSPORTATION -- LOCAL TRANSPORTATION PROJECTS

State Match for Discretionary Airport Grants for Fencing

Motion:

Move to require DOT to provide a 20% match from the aeronautics assistance SEG appropriation for any federal funds received during the 1999-01 biennium for the construction of airport perimeter fencing.

doesn't include local govt from providing match

Note:

This motion would require DOT to provide a 20% SEG match for any federal discretionary airport funds provided for the construction of airport perimeter fencing.

Subject: 0657/1 and 0648/1

Ivy,

On 0657/1, I think that counties may want to apply for this program. Why don't we do something similar to the harbor program under 85.095: define eligible applicant to include municipality, town, county or agency of those governments or private entity. Also, does the local government pass a resolution or does the governing body pass a resolution? If you think it is correct to say that the local government would pass the resolution, then don't worry about changing that.

On 0648/1, I wouldn't ask to change this if I specifically hadn't asked Sen. Jauch's office if he wanted this to be an ongoing requirement or just a nonstat provision. He only wanted it to apply during 1999-01. So, could be make this a nonstat and just notwithstand s. 114.34 (3)?

Thanks.
