Tax Cut

Summary

The Department of Commerce administers a variety of economic development programs for businesses that want to start, expand, or locate their operations in Wisconsin. Commerce provides assistance through low-interest loans, grants, as well as tax credits to business that locate or expand in economically distressed areas.

The Governor's budget recommended the creation of a gaming economic development grant and loan program and a gaming diversification grant and loan program to provide financial assistance to businesses that are located in counties that are affected by Native American gaming operations. The Governor proposed using \$8.0 million in funding from tribal gaming revenues to pay for this new program.

The amendment:

- a) requires the Department of Commerce to make a grant of up to \$1 million for the Swiss Cultural Center in New Glarus, Wisconsin from the Gaming Economic Diversification Grant and Loan Program. The funding scheme outlined in the amendment specifies that \$1 in state funding be matched with \$2 from other sources. ←
- b) requires the enumeration and allocation of \$1 million (BR) from the Capital Budget for the Swiss Cultural Center in New Glarus, Wisconsin. ← ?
- c) specifies that state funding could not exceed \$2 million.

Fiscal Impact

According to the Legislative Fiscal Bureau, the amendment would utilize existing tribal gaming revenues allocated to the Department of Commerce for the Gaming Economic Diversification Grant and Loan program. With respect to the Capital Budget provision, the amendment would require \$1 million (BR) in funding from the Capital Budget.

Statement of Intent

Commerce. Allocate up to \$1 million (PR) funding from the Gaming Economic Diversification Grant and Loan Program for the Swiss Cultural Center in New Glarus, Wisconsin. Enumerate and allocate \$1 million (BR) from the Capital Budget for the project.

Brian:

In case we keep missing each other, why don't you send me an e-mail with the answers to my questions. The one you were checking on was who should get the grant. Also, I just want to verify that the grant is to be used for construction of a Swiss Cultural Center in the village of New Glarus. Thanks.
