To Be Drafted

Agency	Corrections	Amendment#	55
ARC Analyst	Matt Tompach	LRB#	
		Tax Cut	<input type="checkbox"/>

Summary

This amendment restores funding, deleted by JFC at the Governor's request, for the Department of Corrections (DOC) to purchase service funding from community corrections programming. DOC would use the restored funding to meet existing programming and treatment needs of probation and parole offenders. These needs include alcohol and other drug abuse programming, housing, domestic violence counseling, sex offender programming, day treatment and employment/work experience programs. Funds to meet these needs had been co-mingled with intensive sanction program funds. When the intensive sanctions program was cut, it inadvertently resulted in reducing the funds for probationers' and parolees' treatment needs.

Fiscal Impact

This amendment provides \$2,190,000 GPR in FY2000 and \$2,190,000 GPR in FY 01 to restore purchase of service funding for community corrections programming. Amended. No GPR expended, funding by Zien motion [Justice #3636]

Amendment provides up to \$1.1 in each year of the biennium. However, release of the funds is tied to the fiscal commitment of DOC (i.e. DOC releases \$1.1 million, JFC matches; DOC releases \$300,000, JFC matches)

Statement of Intent

Corrections. Restore purchase of service funding for community corrections programming.

Plc to Matt Tompach - 6-25-99
referred me to Kent in Trotsch's office

6-29-99

Plc to Kent - sugg'd I talk to Margolies
[Signature]

P/c to Jerry

20,865(4)(a) - ^{increase} \$1.1 → JFC

for match in.

Summary is wrong - Not an inadvertent reduction

Reduced pop. for Inters. sanctions ⇒ DOC reduced
\$ for P.P.O.S by \$2.19 M/yr.

DOC wanted to reallocate to POS for enhanced P+P POS

Amendment gives 1/2 to Jt. Finance

~~May~~ Jt. Fin. may match

Only need to increase money for

6/21/99 - P/c to Matt Tompach

asked him how much he wants to include in amdt
re how \$ is to be spent (or just put in Jt. Fin Supp \$ acct)
He said he needed to find out from Goetsch.

P/c from Matt.

Ok for Jt Fin to give \$ to DOC for some other
purpose, but not okay to give it to anyone
else.
