IV. DNR Closed Area at Mazomanie Wildlife Management Area

JFC Action:

The Committee moved to suspend all activities of the Lower Wisconsin State Riverway Board until the Assembly Committee on Natural Resources and the Senate Committee on Agriculture, Environmental Resources and Campaign Finance Reform approve an implementation plan submitted by the DNR to rectify problems related to a nude beach within the Riverway. **Motion #692 failed by a vote of 2-14.**

The Committee deleted \$75,000 GPR annually in LTE enforcement funding in the Bureau of Facilities and Lands for the Mazomanie Unit of the Lower Wisconsin State Riverway. **Motion #936 passed by a vote of 9-6.**

Motion:

Create closed area on the Mazomanie Unit of the Lower Wisconsin State Riverway from April 1 to September 15.

The public use prohibition applies to land owned or leased by the state and under the jurisdiction of the DNR, consisting of part or all of sections 28, 29, 30, 31 and 32 in township 9 north, range 6 west and includes islands and sandbars within the Wisconsin River adjacent to these sections. This land comprises the Mazomanie unit of the Lower Wisconsin State Riverway.

1. The Mazomanie unit is to be closed to public use from April 1 to September 15 each year, with the following exceptions:
 - a. Non-recreational activities such as scientific research are allowed if the user obtains a permit from the DNR,
 - b. Dog training or dog field trials are allowed with a permit from the DNR,
 - c. The closure does not apply to the islands and sandbars within the Wisconsin River adjacent to these sections between the hours of 6:00 a.m. and 9:00 p.m.
2. The DNR is required to post the land in a manner sufficient to give public notice of the closure.
3. DNR wardens will enforce the closure of the Mazomanie unit by issuance of citations. The penalty for violating the statute will be a forfeiture not less than \$100 nor more than \$1,000.
4. The closure will take effect immediately upon the effective date of the budget act, if that occurs prior to September 15, 1999.

Fiscal Impact

Minimal expenditures for new signs, to be absorbed by the DNR.

Leased properties are private lands the Department leased the hunting rights to. You may enter and hunt on these lands. Past abuses by hunters have resulted in many lease cancellations and thus less land for to hunt on. Landowner complaints include driving fields, shooting near buildings, cutting fences, unethical hunting behavior, etc. Only with YOUR cooperation will landowners continue leasing to the Department - RESPECT LANDOWNER RIGHTS.
