Amendment# 51

ARC Analyst Nicole Anderson

LRB#

Tax Cut

Summary

This amendment would provide \$700,000 annually for the duration of the state/tribal gaming compact to ^{the} design and implement new work-based learning programs. This amendment will also use funds to support existing work-based programs at the College of Menominee Nation and Lac Courte Orielles Ojibwa Community College.

The Work-Based Learning Board would grant expenditures of funds to the two colleges upon approval of proposals. Programs already in existence include nursing, entrepreneurial training and technical assistance, computer science, WisDOT Partnership, and a number of others.

Fiscal Impact

None. The amendment reallocates funding from the balance in the tribal gaming segregated account this biennium. If the amount available in the segregated account is insufficient, the remainder would be taken from the tribal gaming economic development and diversification grant and loan programs.

Statement of Intent

Administration. To make further aid available for vocational training at the College of Menominee Nation and Lac Courte Orielles Ojibwa Community College.
