Statement of Intent

Request#

Tuesday, June 22, 1999

227.14 (4) MEAT AND POULTRY INSPECTION. The treatment of section 97.42(4) (intro.) and (4m) of the statutes takes effect on January 1, 2000.

Fiscal Effect:

The LFB expects there should be no fiscal effect associated with this provision.

Provision #8

Agency:

Public Instruction

JFC Action:

The Joint Finance Committee did not take action on this provision.

Motion:

This motion provides an additional Agriculture Education Consultant position at DPI to provide assistance in curriculum development and program improvement. DPI consultants serve as liaisons between DPI, other state agencies and the state FFA Foundation, which includes 150 major Wisconsin agribusinesses.

Fiscal Effect

This motion would have no fiscal effect. This motion earmarks existing money from the Agricultural Chemical Cleanup Fund (\$122,100 SEG over the biennium; \$61,050 annually). This appropriation includes one-time start up costs of \$5,500 for computer equipment and other office needs, and \$6,200 annually for supplies and services. The figure also includes payroll funding for nine months in FY 00 and 12 months in FY 01.

Provision #9

Agency:

Wisconsin Technical College System

JFC Action:

The Joint Finance Committee did not take action on this provision.

Motion:

This motion provides funding for a full-time Agricultural Education Consultant at the WTCS to coordinate the agricultural education program and serve as a liaison with the K-12 and University of Wisconsin (UW) systems and agribusinesses. The consultant would also direct the Post-Secondary Agriculture Student Organization, the Technical College counterpart to the Future Farmer's of America

Fiscal Effect

This motion would have no fiscal effect. This motion earmarks existing money from the Agricultural Chemical Cleanup Fund (\$89,162 SEG over the biennium; \$44,581 annually). Costs include 0.75 FTE education consultant position, and includes one-time start-up costs of \$5,500

and \$5,000 annually for supplies and services. The figure also provides funding for 9 months in FY 99-00 and 12 months in FY 00-01.

Provision #10

Agency:

Agriculture, Trade & Consumer Protection

JFC Action:

The Joint Finance Committee eliminated \$678,700 GPR in 1999-2000 and \$1,500,000 GPR in 2000-01 and deleted the appropriation to eliminate GPR funding for the Agricultural Chemical Cleanup program (ACCP). The committee also increased expenditure authority from the ACCP fund by \$678,700 SEG in 1999-00 and \$1,500,000 SEG in 2000-01 to fund reimbursement grants for agricultural cleanups fully from the segregated ACCP fund. Under this action, the ACCP fund is expected to have a June 30, 2001, balance of approximately \$3.2 million.

JFC also requires \$500,000 from the ACCP fund to be transferred to the general fund in each year of the biennium.

Motion:

This motion would maintain JFC action, but would eliminate the Governor's requirement to transfer \$500,000 SEG from the ACCP Fund to the general fund in each year of the biennium.

Fiscal Effect

This motion would maintain \$1.0 million SEG in the ACCP fund over the biennium, thereby deleting \$1.0 million GPR over the biennium.
