Memorandum

To: Robin N. Kite, Attorney
From: Rep. Tony Staskunas
Date: June 21, 1999
Re: Budget Amendment

Budget Amendment on Noise Abatement Study for State Fair Park

The Joint Committee on Finance adopted Motion #1312 to Paper 250 relating to the State Fair Park. This motion contained a provision that required the State Fair Park Board and the operators of the Milwaukee Mile to jointly submit a noise abatement plan to the Joint Committee on Finance for approval under 13.10 before bonding for State Fair updates are released by the Building Commission. No funds were provided for the noise abatement study. This amendment would provide the funds not to exceed \$50,000 for this study.

The noise from the State Fair racetrack has been an increasing problem in the area surrounding the Park, including West Allis, West Milwaukee and Milwaukee. The concerns are not so much for the four sanctioned races (Miller Lite 225; the NASCAR Craftsman Truck Series 200; the Busch Series DieHard 200; and the American Speed Association Badgerland 200), but the increasing racetrack activity of tire testing and driving schools. These events have increased greatly over the last several years, to the detriment of the neighborhood.

The racetrack operators have agreed that the cars used by the driving schools renting the track will be required to have better mufflers to cut their noise. This noise abatement study is necessary to find further ways to reduce noise in this residential neighborhood.

Budget Amendment on Noise Abatement Study for State Fair Park

The Joint Committee on Finance adopted Motion #1312 to Paper 250 relating to the State Fair Park. This motion contained a provision that required the State Fair Park Board and the operators of the Milwaukee Mile to jointly submit a noise abatement plan to the Joint Committee on Finance for approval under 13.10 before bonding for State Fair updates are released by the Building Commission. No funds were provided for the noise abatement study. This amendment would provide the funds for this study.

\$10,000 GPR

The noise from the State Fair racetrack has been an increasing problem in the area surrounding the Park, including West Allis, West Milwaukee and Milwaukee. The concerns are not so much for the four sanctioned races (Miller Lite 225; the NASCAR Craftsman Truck Series 200; the Busch Series DieHard 200; and the American Speed Association Badgerland 200), but the increasing racetrack activity of tire testing and driving schools. These events have increased greatly over the last several years, to the detriment of the neighborhood.

The racetrack operators have agreed that the cars used by the driving schools renting the track will be required to have better mufflers to cut their noise. This noise abatement study is necessary to find further ways to reduce noise in this residential neighborhood.
