## SENATE BUDGET AMENDMENT

**Agency name:** DPI

**Related Fiscal Bureau papers and motions:** Paper #778

CA 1823

**Description:** This motion would provide \$80,000 GPR and \$70,000 in 2000-01 for continuing the SAGE evaluation of the performance of SAGE students in grades four through eight. Currently DPI contracts with UW-Milwaukee, School of Education to evaluate SAGE school students' performance with comparison school students in grades kindergarten through three. The additional funding would be used to continue the evaluation of the performance of SAGE students in grades four through eight as compared to other students.

**Fiscal effect:** Because this program is a categorical aid, the motion would decrease general school aid funding by \$26,700 GPR in 1999-2000 and \$23,300 GPR in 2000-01 to adjust state funding of two-thirds of partial school revenue. Net effect of \$100,000 GPR over the biennium.

**Attachments:** Fiscal Bureau motion

Representative Riley

PUBLIC INSTRUCTION

SAGE Evaluation Continuation  
[Paper #778]

Motion:

Move to provide \$80,000 GPR in 1999-00 and \$70,000 GPR in 2000-01, above base level funding of \$250,000 GPR, for continuing the SAGE evaluation of the performance of SAGE students in grades four through eight. Delete \$26,700 GPR in 1999-00 and \$23,300 GPR in 2000-01 from general school aids to adjust two-thirds funding for partial school revenues.

Note:

This motion would provide \$80,000 GPR in 1999-00 and \$70,000 GPR in 2000-01 to fund the continuation of the evaluation of SAGE students through grades 4 to 8 grades. Currently, DPI contracts with UW-Milwaukee, School of Education, to evaluate SAGE school students' performance with comparison school students in grades kindergarten through three. The additional funding would be used to continue the evaluation of the performance of SAGE students in grades four through eight as compared to other students.

Because this program is a categorical aid, the motion would decrease general school aid funding by \$26,700 GPR in 1999-00 and \$23,300 GPR in 2000-01 to adjust state funding of two-thirds of partial school revenues.
