1) *Supplemental Outpatient Hospital Payments*

-- Move to delete the language in LFB Paper #482 - Alternative A3 (b)...calendar year 1997 and 1998... and replace it with "calendar year 1996 and 1997" so the motion would specify that all hospitals in the state with at least a 25% increase in uncompensated care between calendar year 1996 and 1997 would be eligible for a supplemental payment. There is no fiscal effect. (*Motion #997 includes the same language under item h and the same change would be requested.*)
