Possible Amendment From SRSC

SRSC #19

RE: Construction of a Traffic Signal

This motion is identical to one offered by Rep. Pettis and approved during the Assembly GOP budget caucus.

The Department of Transportation is scheduled to conduct a reconstruction project on a section of State Highway 35 located in Burnett County during the year 2000. The reconstruction project will include the intersection of State Highway 35 and State Highway 70.

The amendment would require the addition of a traffic signal locate at that intersection, in Siren, Wisconsin.

According to ARC correspondence with the Burnett County Highway Department, the fiscal effect of the amendment would be approximately \$65,000 SEG if completed as a separate project. That cost would be less if the signal were included in the scheduled reconstruction project of State Highway 35.

FOR 1999-01 BUDGET - NOT READY FOR INTRODUCTION

SENATE CAUCUS AMENDMENT

TO ASSEMBLY SUBSTITUTE AMENDMENT 1,

SENATE

TO 1999 ASSEMBLY BILL 133

1 At the locations indicated, amend the substitute amendment as follows:

2 1. Page 1554, line 12: after that line insert:

3 "(10x) TRAFFIC CONTROL SIGNALS IN SIREN. The department of transportation
4 shall install traffic control signals at the intersection of STH 35 and STH 70 in the
5 village of Siren in Burnett County. If, during the year 2000, the department
6 reconstructs STH 35 at this intersection, the department shall complete the
7 installation required under this subsection as part of that reconstruction project."

8 (END)
