CLEAN SWEEP GRANTS (MENARD, INC.) TRUST FUND

Until the Joint Committee on Finance has approved an expenditure plan under s. 13.10, prohibit DNR from making any further expenditures from the \$500,000 received in a court-ordered agreement with Menard, Inc. for the purposes of household hazardous waste (clean sweep) grants to local governments.

Modify Chapter 20.907 of the Statutes to require that all state agencies receive approval from the Joint Committee on Finance before collecting or receiving any moneys, other than moneys received as forfeitures imposed under state law, from any person pursuant to an agreement to settle a civil claim. In addition, require state agencies to submit a report by December 1 annually, to the Joint Committee on Finance and the Department of Administration on expenditures made by the agency during the preceding year from moneys, other than moneys received as forfeitures imposed under state law, received from any person pursuant to an agreement to settle a civil claim (in addition to money received as gifts, grants, bequests or devises currently).

RET. WLj:

Note

Kendra Bordered:

This draft does not mention s. 13.10¹ because ^{to matters that come before the Committee for} under s. 13.10(1), s. 13.10 applies, unless otherwise provided ^{approved}

I left the second sentence in this draft so that the provision remains temporary and can be ~~done~~ drafted as a nonstatutory provision. IF you think this is a problem, let me know and we can think about a different approach

Kendra Bonderud:

This draft does not mention s. 13.10 because under s. 13.10 (1), s. 13.10 applies to matters that come before the committee for approval unless otherwise provided.

I left the second sentence in this draft so that the provision remains temporary and can be drafted as a nonstatutory provision. If you think this is a problem, let me know and we can think about a different approach.
