This draft converts AA 29 to AA 2 to ASA 1 to AB 133 into an amendment to ASA 1 to AB 133 so that it can be compiled into the Conference Amendment, which is an amendment to ASA 1 to AB 133.

As previously mentioned in the drafter's note to LRB #18/1, this

The

The attached floor amendment does not fully accomplish what appears to be its intent. Specifically, the floor amendment requires DWD to allocate certain moneys to DPI, but does not provide for the transfer of those moneys from DWD to DPI. As such, because those moneys remain in DWD and never make their way over to DPI, DPI never acquires the authority to expend those moneys as intended, the usual way to accomplish the intent of this floor amendment is to draft an appropriation transfer provision as was done in LRBb1514/1.

September 29, 1999

This draft converts AA29 to AA2 to ASA1 to AB-133 (LRBf18/1) into an amendment to ASA1 to AB-133 so that it can be compiled into the Conference Amendment, which is an amendment to ASA1 to AB-133.

As previously mentioned in the drafter's note to LRBf18/1, this amendment does not fully accomplish what appears to be its intent. Specifically, the amendment requires DWD to *allocate* certain moneys to DPI, but does not provide for the *transfer* of those moneys from DWD to DPI. As such, because those moneys remain in DWD and never make their way over to DPI, DPI never acquires the authority to expend those moneys as intended. The usual way to accomplish the intent of this amendment is to draft an appropriation transfer provision as was done in LRBb1514/1.
