Subject: Alternative Budget Proposal to Subdistricts

As an alternative to the Judicial Subdistricts proposal, Senator George is offering the following proposal:

Establish a Study of Subdistricts or Other Alternative Methods of Judge Selection and Racial and Ethnic Diversity in the Courts.

Study committee to be comprised of nine members, chaired by the Chief Justice of the Supreme Court, with the Chief Judge of the Milwaukee County Judicial Administrative District to serve as the vice chair. In addition, the study committee would be comprised of 3 additional judges to be appointed by the Chief Justice, at least one of which would be a member of a minority group; and 4 public members to be appointed by the Governor, at least 2 of which would be members of a minority group.

Study committee would report back to the Judiciary Committees of the Senate and Assembly, the Governor and the Supreme Court by no later than December 31, 2000.

Please let me know if you would consider this to be an acceptable alternative to the present language in the budget regarding judicial subdistricts. (6-2500)
