Hi Bob!

Here is the summary of the draft request I spoke to you about.....

Regarding the WW II Memorial to be built in Washington D. C.

The goal is to get a dollar (or more) for each Wisconsin WW II veteran to donate toward the construction of the memorial. There were 332,200 veterans from WI who served in WW II.

A trust fund (SEG funds?) will be set up (Veterans Affairs ?) for individual donations. The state will match dollar for dollar up to \$166,100. (1/2 of our vets)

A list of contributors and veterans (EX: in memory of) will be established from the individual donations and go with the monies .

Deadline for donations: They are given seven years (fed law) or until May 2000 to collect funding to qualify for the permit.

Ground breaking in Washington is scheduled for Veterans Day in the year 2000.

Hope all this makes sense

About the National World War II Fund-Raising Campaign

The memorial will be funded almost entirely by private contributions, as specified in Public Law 103-32. The capital campaign goal for donations is \$100 million. As of July 1998, approximately \$27 million has been raised through Corporate and Foundation Giving, the support of Veterans Groups, and Individual Donations. Leading the campaign are Senator Bob Dole, National Campaign Chairman, and Frederick W. Smith, National Campaign Co-chair.

Under the provisions of the Commemorative Works Act of 1986, ABMC must obtain a construction permit from the Secretary of the Interior within seven years of the legislation authorizing the memorial, that is, by May 2000. Before a permit will be issued, the final design must be approved and all funds must be on hand. The total funds required include a perpetual maintenance fund (10 percent of the construction cost) to be provided to the National Park Service, which will assume title and the responsibility for control and maintenance of the memorial after it is completed.

(b) **APPOINTMENTS-** Members of the Board shall be appointed not later than 3 months after the date of the enactment of this Act and shall serve for the life of the Board. The President shall make

(d) **ABOLITION-** Upon the final settlement of the accounts of the fund, the Secretary of the Treasury shall submit to the Congress a draft of legislation (including technical and conforming provisions) recommended by the Secretary for the abolition of the fund.

SEC. 5. DEPOSIT OF EXCESS FUNDS.

in the fund created

by section 4, the Chairman of the American Battle Monuments Commission shall transmit the amount of the balance to the Secretary of the Treasury for deposit in the account provided for in section 8(b)(1) of that Act.

Please note that s. 16.47 (2), stats., states that neither house may pass any bill containing an appropriation, increasing the cost of state government or decreasing state revenues by more than \$10,000 annually until both houses pass the executive budget bill, except that the governor or joint committee on finance or, under certain circumstances, the committee on organization of either house may enact emergency appropriation bills prior to the passage of the executive budget bill.

Note that if this bill is introduced and enacted as an emergency measure prior to passage of the budget, the appropriation set forth in this bill will be repealed by action of the budget bill (which repeals and recreates the appropriations schedule). You may instead wish to consider having this bill drafted as an amendment to the budget bill to include the correct appropriation line amount. Alternatively, you may wish to include an effective date that is later than the projected date for passage of the budget bill. Finally, you may instead wish to introduce this bill for potential passage after the passage of the budget bill. If you choose this option, please check with me after budget passage to ensure that the cross references in this bill are still accurate and that the numbers for created statutes in the bill have not been supplanted by the budget bill.

This bill, as drafted, goes into effect after the publication of the 1999-2000 biennial budget bill. This delayed effective date solves the problems of needing an emergency statement to spend more than \$10,000 before passage of the biennial budget and of the repeal of the appropriation in this bill by the biennial budget act.
