Eligibility for Public Assistance

Motion:

Move to specify that the sales tax rebate would not be counted as income or an asset for the purposes of determining eligibility for the W-2 program, W-2 child care assistance or any other public assistance programs whose eligibility criteria are determined by state law. Direct the Department of Health and Family Services to ~~seek a waiver~~ from the federal government to not count the rebate as an asset in determining eligibility for medical assistance. Specify that, to the extent allowed under federal law, the sales tax rebate would not count as income or assets for public assistance programs whose eligibility is determined under federal law.

INSERT ANAL

The bill prohibits state agencies from considering receipt by an individual of the sales tax rebate in determining the individual's eligibility for a state-funded grant, loan, monetary assistance or other benefit or in determining the amount or extent of that grant, loan, monetary assistance or other benefit. The prohibition applies to the month of the receipt and the month immediately following. In addition, the bill requires the department of health and family services (DHFS) to request a waiver of federal medicaid laws to authorize DHFS to disregard receipt of the sales tax rebate in determining eligibility for medical assistance. Lastly, the bill requires state agencies to disregard receipt by an individual of the sales tax rebate in determining the individual's eligibility for a federally-funded grant, loan, monetary assistance or other benefit or in determining the amount or extent of that grant, loan, monetary assistance or other benefit, to the extent permitted under federal law.

INSERT 8-16

1 **SECTION 1. Nonstatutory provisions.**

2 (1) DETERMINATIONS OF ELIGIBILITY OR EXTENT OR AMOUNT OF CERTAIN BENEFITS.

3 (3) (a) In this subsection, "state agency" has the meaning given in section 16.417 (1) (a)
4 of the statutes.

5 (b) Notwithstanding any other provision of state law that relates to
6 determining, based on an individual's personal income or assets, that individual's
7 eligibility for a state-funded grant, loan, monetary assistance or other benefit or the
8 amount or extent of that grant, loan, monetary assistance or other benefit, a state
9 agency may not consider receipt of a onetime rebate of nonbusiness consumer sales
10 tax under section 77.64 of the statutes, as created by this act, to be income or an asset
11 of the individual in the month of receipt or in the month immediately thereafter. This
12 paragraph shall be broadly construed to avoid determinations of ineligibility for a
13 state-funded grant, loan, monetary assistance or other benefit.

14 (c) By December 1, 1999, the department of health and family services shall
15 request a waiver, to the extent permitted under federal law, from the secretary of the

1 federal department of health and human services under 42 USC 1396n (c),
2 authorizing the department of health and family services to disregard receipt by an
3 individual of a onetime[✓] rebate of nonbusiness consumer sales tax under section 77.64[✓]
4 of the statutes, as created by this act, in determining the individual's eligibility for
5 medical assistance under section 49.46[✓] (1), 49.465[✓] or 49.47[✓] (4) of the statutes.

6 (d) To the extent permitted under federal law, a state agency shall disregard
7 receipt by an individual of a onetime[✓] rebate of nonbusiness consumer sales tax under
8 section 77.64[✓] of the statutes, as created by this act, in determining the individual's
9 eligibility for a federally^g funded grant, loan, monetary assistance or other benefit or

This bill is drafted according to your instructions, in that it is based on ~~1999~~ s0176 and LFB motions # 9320 and 9322. I am still not sure what created s. 77.64 (5) (j) means, which is based on ~~Assembly~~ ^{from} Amendment 6 to Special Session AB-1. That paragraph states that "The department shall calculate the rebate for the family only of an individual who has been, or was, incarcerated in a state or federal prison during the taxable year to which 1999 Wisconsin Act ... (this act) applies." ^{from Assembly} LRB

I don't know what it means for DOR to "calculate the rebate for the family only" of someone who was incarcerated in 1998. On what basis is the rebate to be calculated? Once the rebate is calculated, there is no prohibition against anyone who was incarcerated in a state or federal prison in 1998 from receiving the rebate, although under s. 77.64 (5) (k), which is ~~Assembly~~ ^{Assembly} (floor) amendment 7 to Special Session AB-1, the check may not be sent to any state or federal prison facility. Section 77.64 (5) (j) does not seem to have any application to a single individual who was incarcerated in 1998, and s. 77.64 (5) (k) only restricts the location to which the check may be sent.

It also seems to me that a literal reading of the last sentence in s. 77.64 (3) (e) could prohibit any nonresident from being eligible to receive a rebate; it seems ~~that~~ ^{as if} that sentence should prohibit a nonresident from being eligible to receive a rebate if the individual's spouse is eligible to receive a rebate as resident or part-year resident.

Please let me know if you have any questions about this bill.
