Pam:

Chris Wilcox left me a long voice mail on the singular vs. plural issue. He believes it is critical to correct the matter. I will be talking to Lasee's office to ask them to have the committee exec with a recommended amendment to make the change. I'd appreciate it if you would draft the amendment.

I don't have a copy of the latest draft but on the last preliminary draft that would be to substitute "claim" for "claims" on line 5, page 20.

The parallel language Chris refers to is on line 23 o the same page where it refers to "claim obligation limit". No change is necessary there. Also he tells me that "obligations" (plural) is ok on line 5.
