1997 ASSEMBLY BILL 140

- 1 **AN ACT to amend 45.04 (2) and 45.35 (5) (e) 7. of the statutes; relating to:**
2 Vietnam veteran eligibility for veterans benefits.

Analysis by the Legislative Reference Bureau

Current law provides various benefits for veterans who have served in the armed forces during specified war periods or who have received certain medals evidencing service during a specific period of time. Under current law, the Vietnam war period is defined as between August 5, 1964, and January 1, 1977, for purposes of eligibility for loans under the veteran's housing loan program, for setting priorities for the loans under that program and for eligibility under the veterans trust fund stabilization loan program. The Vietnam war period is defined as between August 5, 1964, and July 1, 1975, in current law regarding the grant program for a memorial for Vietnam veterans and for veterans' benefits other than those listed above, including the veterans rehabilitation program, the correspondence courses and part-time classroom study program and the veteran retraining grant program. This bill makes the dates of the Vietnam war period the same, between August 5, 1964, and January 1, 1977, for purposes of eligibility for veterans benefits.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1. **JACKET** the draft for introduction Terry M Musser
in the **Senate** ____ or the **Assembly** ____ (check only one). Only the requester under whose name the drafting request is entered in the LRB's drafting records may authorize the draft to be submitted. Please allow one day for the preparation of the required copies.

2. **REDRAFT.** See the changes indicated or attached _____.
A revised draft will be submitted for your approval with changes incorporated.

3. Obtain **FISCAL ESTIMATE NOW**, prior to introduction _____.

If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or increases or decreases existing appropriations or state or general local government fiscal liability or revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to introduction retains your flexibility for possible redrafting of the proposal.
