Julie:

In reviewing 1999 Senate Bill 223, I noticed that, as drafted, s. 230.35 (3) (e) 6. may imply that only represented employees are eligible for participation in the specialized disaster relief service program. I do not believe that this was your intent. This amendment will clarify that 1999 Senate Bill 223 only deals with the eligibility of represented employees for the program and does not limit coverage under the program only to represented employees. Please call if you have questions.
