## Champagne, Rick

---

**From:** Seitz, Robert  
**Sent:** Tuesday, March 14, 2000 2:13 PM  
**To:** Champagne, Rick  
**Subject:** RUSH amendment to AB 187 in Assembly WED.

Rick,

I am requesting this on behalf of Rep. Powers who needs the amendment to the ASA 1 today to introduce in the Assembly for action tomorrow.

- ✓ 1) One member added to the board who has experience in financial planning.
- 2) pg. 3, line 13, after "rules" add "for the program." After "include" add "but not limited to" - *Not needed.*
- 3) pg. 4, line 23, after "paid" add "a length of service award in"  
pg. 4, line 24, after "sum" add "or other method allowed by rule"  
(or something like that to open up the options for pay out without complicating the bill). 
- 4) pg. 6, lines 14-19, make changes to allow multiple individuals or organizations. *Not needed.*
- 5) The LFB paper suggests the language describing the purpose of the GPH sum sufficient appropriation that supports the state's matching contributions contains an incorrect cross-reference to the provision establishing a state match.
- 6) pg 4, lines 18,19, pg 5, lines 16-22, References should include emergency medical technicians when fire fighters are mentioned.

We are concerned with the goals of the above language and welcome better ways to get the job done.

Sorry for the short notice.
