LEGISLATIVE REFERENCE BUREAU**

LRB-1690/1dn

Nancy:

This draft allows the possession and transfer of slot machines manufactured prior to December 31, 1974, that are intended to be used only for display, restoration and preservation purposes. I expanded the definition of "antique slot machine" to include language that does not allow the transfer and possession of antique slot machines that will be used for gambling purposes.

Please review this draft carefully to make sure it reflects your intent. If you have any comments or questions please feel free to contact me.
