<b>Assumptions Used in Arriving at Fiscal Estimate</b>  This bill would require DOC to develop a standardized form for use in jails and houses of corrections for recording a prisoner's medical conditions and history. This bill also requires certain jailers to complete the form for each prisoner being transferred to DOC or to another county's jail or house of correction at the time of the transfer.  It is anticipated that this bill would have negligible fiscal impact on the department. It is unknown at this time if there would be any fiscal impact on the participating counties.
