<b>Assumptions Used in Arriving at Fiscal Estimate</b>  <p><b>This bill creates a statutes that specifically regulates the storage and handling of anhydrous ammonia. It also creates various penalties for violation of these rules.</b></p> <p><b>It is impossible to predict the number of violations that would occur under this bill if it were enacted but it is presumed that any additional workload would have to be absorbed by existing court staff. It is not expected that the effect on circuit court operations would be significant.</b></p>
