- Others _____
- School Districts
- WTCS Districts

Fund Sources Affected

- GPR
- FED
- PRO
- PRS
- SEG
- SEG-S

Affected Ch. 20 Appropriations

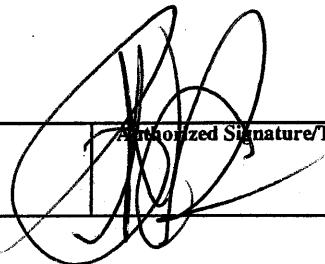

Assumptions Used in Arriving at Fiscal Estimate

SB 166 would eliminate the existing qualified economic offer exception to interest arbitration which would, in turn, increase current use of the interest arbitration process. The increase in use of the interest arbitration process will increase the current caseload of the Wisconsin Employment Relations Commission.

The Wisconsin Employment Relations Commission believes its existing staff will be able to absorb the increased demand for service.

Long-Range Fiscal Implications
