Assumptions Used in Arriving at Fiscal Estimate

Under current law, a volunteer fire fighter or emergency medical technician in a city, village or town may simultaneously hold an elected office in that city, village or town, if his annual compensation does not exceed \$2,500, including fringe.

This bill would amend current law to include an employee of a local recreation department.

This bill will have no fiscal effect. Costs incurred to employ a recreation department position and those associated with having someone in office would be the responsibility of the city, village or town regardless of whether the position and office were held by the same individual or by two separate individuals.

Long-Range Fiscal Implications
