 - School Districts
 - WTCS Districts

Fund Sources Affected

- GPR
- FED
- PRO
- PRS
- SEG
- SEG-S

Affected Ch. 20 Appropriations

Assumptions Used in Arriving at Fiscal Estimate:

This bill requires the Department to work with DATCP to jointly develop a list identifying the least toxic pesticides available that are effective for use against pests that may be found in schools or on school grounds when use of a pesticide is determined to be necessary.

The Department and DATCP have previously worked on this issue. It is estimated that this bill will not have any fiscal effect.

Long-Range Fiscal Implications:
