### REFERRAL OF AGENCY REPORTS

State of Wisconsin  
Investment Board  
Madison

June 21, 1999

To the Honorable, the Legislature:

Section 25.17(14r) of the Statutes requires that the State of Wisconsin Investment Board (SWIB) submit a report to the Joint Committee on Audit, Joint Committee on Finance and the Chief Clerks of each House summarizing any change in the Board's investment policies, upon adoption of the change.

On June 9, 1999 the Board approved modifications to the Investment Policy Guidelines for the Wisconsin Retirement System (WRS) Trust Funds. Attached are the modified guidelines. Additions to the previous guidelines are shaded and deletions are the ~~stricken~~ material.

#### Formation of Alternative Investments Committee

SWIB currently has four portfolios with mandates designed to include private investment programs: the non traditional portfolio, the private placements core portfolio, the leveraged buy-out portfolio and the venture capital portfolio.

Previously, private investment transactions were brought to the full Board for review and approval. In order to address inefficiencies in this process, the Board adopted policy changes that created an Alternative Investments Committee. The purpose of this Committee is to develop, administer and monitor policies and procedures for our private investment programs. The Committee will function as a panel of review for all private investment proposals and will report all private transaction activity to the full Board. We have used a similar model for real estate investments and it has been effective.

The attached guideline changes reflect the creation of this committee, detailing its function with respect to the alternative investment portfolios. It is not anticipated that these changes will have any effect on the investment structure of the underlying portfolios.

Please contact me if you have any questions about this report.

Sincerely,  
*PATRICIA LIPTON*  
Executive Director

---

## POINT OF ORDER

Representative Black rose to the point of order that Assembly amendment 25 to Assembly Amendment 2 to Assembly substitute amendment 1 **Assembly Bill 133** was not germane under Assembly Rule 54 (3)(c) and (5).

The Chair (Representative Duff) ruled the point of order **not well taken**. The chair ruled as follows:

“Assembly amendment 25, which prohibited constitutional officers, except the governor, from having their likeness on an outdoor sign, sought to replace language in Assembly amendment 2 prohibiting constitutional officers, except the governor, from using state funds to place their likeness on a billboard.

Assembly amendment 25 is not a substantial expansion of Assembly amendment 2 because it amended and modified the same section, subject and related to the particularized details included in Assembly amendment 2. The amendment also did not substantially expand the scope of the original proposal, a multi–subject executive budget bill, because it merely adds to the directives and requirements to state agencies and constitutional officers that are typically included in budget bills.”

Representative Meyer appealed the ruling of the Chair.

The question was: Shall the ruling of the Chair stand as the ruling of the Assembly?
