GOVERNOR'S VETO MESSAGE

December 23, 1999

To the Honorable Members of the Assembly:

I am vetoing **Assembly Bill 189** in its entirety. This decision comes after receiving strong feedback from several hundred parishioners and parish leaders in the Archdiocese of Milwaukee regarding the harmful impact this legislation could have on the ongoing dispute over current parish mergers in that Archdiocese. My concern is not over whether the mergers might be warranted, but that this legislation would insert the state in the middle of a merger process that has already started.

The Archdiocese of Milwaukee and the people of the parishes involved in the merger process each make strong arguments. I understand that merging and closing parishes is always a difficult decision for church leaders. But the state should not be changing the rules on parish consolidations in the Roman Catholic Church in Wisconsin in the middle of an existing merger process.

I am more than willing to revisit this issue in the next session of the Legislature if legislation can be crafted to address the concerns of the Catholic Church in Wisconsin while not affecting existing mergers.

Sincerely,
TOMMY G. THOMPSON
Governor
