REFERRAL OF AGENCY REPORTS

State of Wisconsin
Department of Administration
Madison

February 24, 2000

To the Honorable, the Legislature:

This report is transmitted as required by sec. 20.002(11)(f), Wis. Stats. (for distribution to the appropriate standing committees under sec. 13.172(3), Wis. Stats.), and confirms that the Department of Administration has found it necessary

to exercise the “temporary reallocation of balances” authority provided by this section in order to meet payment responsibilities and cover resulting negative balances during the month of January 2000.

On January 1, 2000 the **Wisconsin Health Education Loan Repayment Fund** balance was -\$6 thousand. This shortfall increased to -\$27 thousand on January 7, 2000 and to -\$30 thousand on January 20, 2000. This shortfall decreased to -\$6 thousand on January 21, 2000 and continued into the month of February. As of the date of this letter, it is expected to be resolved soon. This shortfall is due to the timing of revenues.

On January 1, 2000 the **Wisconsin Health Insurance Risk Sharing Plan Fund** balance was -\$77 thousand. This shortfall increased to -\$128 thousand on January 7, 2000, to -\$138 thousand on January 31, 2000, and continued into the month of February. As of the date of this letter, it has been resolved. This shortfall was due to the timing of revenues.

The Wisconsin Health Education Loan Repayment Fund and Wisconsin Health Insurance Risk Sharing Plan Fund shortfalls were not in excess of the statutory interfund borrowing limitation and did not exceed the balances of the Funds available for interfund borrowing.

The distribution of interest earnings to investment pool participants is based on the average daily balance in the pool and each fund’s share. Therefore, the monthly calculation by the State Controller’s Office will automatically reflect the use of these temporary reallocations of balance authority.

Sincerely,
GEORGE LIGHTBOURN
Secretary

Referred to committee on **Ways and Means**.
