The report summarizes EMS activity from the past two years as well as what is currently in progress and what is planned or being considered for the near future.

The statute also requires a public hearing on a draft of the plan prior to final adoption and submission to the legislature under s. 13.172(2). The public hearing was held January 6, 2000.

**State of Wisconsin
Department of Health and Family Services**

February 15, 2000

The Honorable, The Senate:

In **1997 Act 27**, the 97-99 Biennial Budget, the Legislature established requirements in state law intended to strengthen protections for children and vulnerable adults in organized care settings. The provisions require, among other things, that designated caregivers conduct background checks on all new and existing staff and bar them from employing anyone who has committed certain crimes or acts. DHFS and (for certain child care providers) counties and local school boards must perform checks on a provider before issuing a license or other credential. Individuals who have committed prohibited crimes or acts may apply to the Department, counties, or school boards for a waiver of the employment or licensing bans upon evidence of rehabilitation.

Sections **48.685(5g)** and **50.065(5g)** of the Wisconsin Statutes direct the Department to submit an annual report to the Legislature that specifies the number of persons who have

sought waivers of employment or licensing bans by requesting to demonstrate that they have been rehabilitated. The report must also specify the number of requests that were approved and the reasons for the success or failure of the requests. Attached is the report for 1999.

Questions about this report should be referred to Linda Dawson, Deputy Chief Legal Counsel, at 608-266-0355.

Sincerely,
JOE LEEAN
Secretary
