### *Analysis by the Legislative Reference Bureau*

Under current law, the group insurance board offers health care coverage plans for state employes, local government employes, school district employes and annuitants under the Wisconsin retirement system. In addition, the group insurance board currently offers long-term care insurance policies to state employes and state annuitants. Under the health care coverage plans, the employes and annuitants are able to receive coverage for dependents; under the long-term care insurance policies, the employes and annuitants are able to purchase the policies for their spouses and parents.

This bill provides that domestic partners of employes and annuitants are eligible to receive coverage under the health care coverage plans offered by the group insurance board and that state employes and state annuitants are able to purchase the policies for their domestic partners. Under the bill, a domestic partner is defined as any individual who is in a relationship with any other individual that satisfies all of the following:

1. Each individual is at least 18 years old and otherwise competent to enter into a contract.

**ASSEMBLY BILL 609**

2. Neither individual is married to, or in a domestic partnership with, another individual.

3. The two individuals are not related by blood in any way that would prohibit marriage under current law.

4. The two individuals consider themselves to be members of each other's immediate family.

5. The two individuals agree to be responsible for each other's basic living expenses.
