### *Analysis by the Legislative Reference Bureau*

Under current law, an individual may not receive the individual income tax school property tax rent credit for taxable years beginning after December 31, 1998. This bill allows an individual to claim and receive the credit for property taxes paid, or rent constituting property taxes paid, on the individual's principal dwelling during the taxable year to which the claim relates. The credit may be claimed for taxable years beginning after December 31, 1999, and before January 1, 2001.

Under the bill, the credit that may be claimed by an individual is 10% of the first \$2,000 of property taxes accrued or rent constituting property taxes, or 10% of the first \$1,000 of property taxes accrued or rent constituting property taxes for a married person filing separately. The credit is nonrefundable, meaning that it may be claimed only up to the amount of a claimant's tax liability.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
