Senator Roger Breske, Chair
Senate Insurance, Tourism, Transportation
and Corrections Committee

Dear Senator Breske: *Roger*

I would like to bring your attention to five bills, Assembly Bills 54, 55, 56, 58 and 59, which have been referred to the Senate Insurance, Tourism, Transportation and Corrections Committee.

As you know, all five of these bills were introduced at the request of the Department of Transportation. Assembly Bill 54 makes the purchase of dealer plates by motor vehicle salvage pools optional. Assembly Bill 55 eliminates the mandatory revocation of a dealer license for misuse of dealer plates. Assembly Bill 56 equalizes the penalties for noncompliance with the Single State Insurance Registration System. Assembly Bill 58 eliminates the word "retail" in statutory references relating to motor vehicle auction dealer penalties and Assembly Bill 59 eliminates the three remaining statutory specified vehicle registration expiration dates.

During the public hearings on these bills, no one testified or registered in opposition. All of them were unanimously approved by the Assembly Transportation Committee and passed the Assembly on voice votes. Thus, I am respectfully requesting that Assembly Bills 54, 55, 56, 58 and 59 be scheduled for consideration by your committee. If you have questions regarding any of these bills, please let me know.

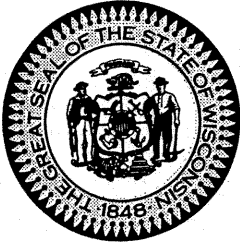

Thank you for your consideration of this request.

Sincerely,
