Chairperson Michael Lehman
Assembly Ways and Means Committee
103 West, State Capitol
Madison, WI 53702

Dear Chairperson Lehman:

I regret to inform you that a time conflict exists between tomorrow's Executive Session of the Assembly Ways and Means Committee and a gathering in the 61st Assembly District.

Several weeks ago, a Racine business owner arranged a meeting with Secretary Linda Stewart of the Department of Workforce Development and her staff along with employees from the Departments of Corrections and Commerce, Racine area public executives and Racine Legislators for Wednesday, February 23. The group will discuss a local proposal to provide high-tech training to adults to assist businesses that are desperate for these specialist skills.

As soon as possible, I expect to arrive in Madison, most likely late in the afternoon on Wednesday. If it is still possible to register my vote, I hope to do so. If not, I wish to express my regrets at this unfortunate circumstance of timing.

Sincerely,

Robert L. Turner
STATE REPRESENTATIVE

Andrew,

I called earlier today to see whether it would be possible to add AB 853 (Overture), AB 860 (IRC update) and AB 726 to the Wednesday Ways and Means agenda.

Would you and your boss be willing to do this?
