JOINT COMMITTEE ON FINANCE

May 5, 1999

Mr. Bryan Wright
Principal
J.I. Case High School
7345 Washington Avenue
Racine, WI 53406

Dear Mr. Wright:

We wanted to write and express our gratitude and appreciation for your help in making the Joint Finance Committee's Racine public hearing on the Governor's 1999-01 biennial budget a success.

The success of the hearing was evident by the favorable turnout of the community, and by the variety and substance of the testimony which we heard. It reaffirms our belief that it is important to bring this forum to the citizens of Wisconsin and allow them the opportunity for input into the state's budget process.

Again, thank you for your assistance in making the necessary preparations for the Committee's hearing site. Also, please express our appreciation to the building manager, and all others who we involved in arranging the hearing.

Sincerely,

JOINT COMMITTEE ON FINANCE

October 4, 2000

Senator Fred Risser, Senate Chair
Representative Scott Jensen, Assembly Chair
Joint Committee on Legislative Organization
State Capitol
Madison, WI 53703

Dear Senator Risser and Representative Jensen:

The Legislative Reference Bureau recently forwarded a draft copy of the scheduling resolution for the 2001-02 biennial legislative session (LRB 0062/P1). The purpose of our letter is to inform you of our concerns about the draft and to offer our suggestions to improve the session schedule.

As chairs of the Joint Committee on Finance, it is our goal to complete the Committee's work on the budget by early June and provide ample time for the caucuses of both houses to discuss the bill and for the budget to be adopted by the beginning of the new fiscal year. To accomplish that goal, we believe that the following changes should be made to this draft.

First, the draft would extend the date of introduction of the biennial budget from the statutory date (January 30 in 2001) to February 15. This should be deleted from the resolution. The budget process should begin on time.

Second, the LRB draft contains a three-week floorperiod in March, none in April and then a lengthy floorperiod that would begin in mid-May and continue through June. In order for the Finance Committee to conclude its deliberations in a timely fashion, extensive Committee executive sessions need to be conducted throughout the month of May and the beginning of June. To accommodate this, we ask that the floorperiod which begins on March 6 should include the week of March 12 and extend through April 5. The May floorperiod of the draft should be eliminated and the June floorperiod should begin on June 12.

We believe that the changes that we have suggested will be beneficial to the legislative process and would ask that they be incorporated into the final scheduling resolution.

Thank you for your consideration of our request.

Sincerely,

BRIAN BURKE
Senate Chair
