

**SENATE COMMITTEE ON HUMAN SERVICES AND AGING**

**Paper Ballot on Assembly Bill 706**

Assembly Bill 706 changes the definition of "child" for the purposes of eligibility for payments under the kinship care and long-term kinship care programs.

The new definition includes a person 18 years of age or over, but under 19 years of age, who is a full-time student in good academic standing at a secondary school or its vocational or technical equivalent and who is reasonably expected to complete his or her program of study and be granted a high school or high school equivalency diploma.

This definition is consistent with the definitions of "child" in other public assistance programs, such as foster care, Wisconsin Works, medical assistance and BadgerCare.

Re: Paper Ballots

Date: March 27, 2000

Attached please find paper ballots on the following bills:

- **AB 706**, relating to eligibility for kinship care or long-term kinship care payments of a relative who is providing care and maintenance for a person 18 years of age or over, but under 19 years of age, who is a full-time student in good academic standing at a secondary school or its vocational or technical equivalent and is reasonably expected to complete his or her program of study and be granted a high school or high school equivalency diploma; and
- **SB 504**, a bill by the Law Revisions Committee on behalf of the Department of Health and Family Services.

I am taking the unusual step of balloting these bills without a hearing because the end of session time crunch.

***Please return your ballots to me no later than 2:00 p.m. on Tuesday, March 28, 2000.***
