**Human Services and Aging
Public Hearing
Rock County Courthouse
Janesville, WI
4-14-99**

In attendance:

Senator Robson

Senator Erpenbach

Representative Wood

Representative Schooff

Laura Rose, Legislative Council

Cory Mason, Committee Clerk

Kevin Lewis, DHFS

1. *Don Mulry

Rock County Human Services Director

W-2 Right of First Selection

Standards not available until November

Not enforced equally

Don't have access to open government in this regard.

Rock County missed

We don't know why were denied or how we compare to other counties

Finds it interesting that no private companies were denied

Robson: How much infrastructure money was spent?

No actual figures on this issue

Community Aids Funding

Leads to erosion in programs

Wants a 3% increase each year to maintain programs

Don't want DHFS to be able to with hold funds

Youth AIDS

Now state only covers 45%

Need it restored to previous levels.

W-2 Funds

Little flexibility in use of the money

They want to be able to use it for community aids

11 million of the property tax bill, 9 million go to pay short falls

2. *Cathy Hinds**Local AFSCME 1258***Wage Pass through*

Serious shortage of workers

She has been working in the field for 20 years

Shortage has never been so low

The people for whom they care deserve better

Facility does not close on holidays or Sundays

Support the 7% wage increase and the 3% Medicaid increase

Concerned about the Caregiver Background Checks

Going to have a real impact in October

Average employee lasts 4-5 years for C.N.A.'s

3. *Terry Scieszinski**Health Care Center Administer****Rock County***Wage Passthrough*

Need the wage pass through desperately

Would hire 50 nurses tomorrow if they were available

Also worried about Intergovernmental Transfer Program

90% are on Medical Assistance

The would prefer 60%

4. Debbie Vorass
Director of Tobacco Free Kids
Beloit

Here to support TRUST

Tobacco is the first drug that children are exposed

Do presentations to about 1000 kids a month

2/5 of kids of 14-17 year-olds smoke

Want to support the trust campaign

Want as much as half of the dollars to spent

Kids will be at the capitol on April 28th

5. Bill Breidenstein
American Heart Association
Tobacco Settlement

Thinks it is shameful how little the Gov. has proposed so little of the settlement on tobacco prevention

Supports the Robson budget amendment for \$50 million

SB 90

Like SB 90. Don't want any new amendments to it.

6. *Luanne Kane
Rock County Human Services
Community Aids and Community Integration

Both sources of funding has been seriously reduced

Want per diems to go from \$125 to \$146

Need to increase funding to the disabled community

Need for respite care is very real across the state

7. * Lowell Trewartha*Family Care*

Don't want Family Care expanded statewide without real evaluation

The state has failed to maintain support for these programs

Roughly \$16 million that the county should be receiving that the state is "stealing". That's 12% of every person's tax bill

Counties seem to be viewed as leaches through the state administration's eyes.

8. Donald Kret**Chair****Walworth County Human Services Board**

59% of tax levy is do to state's "stealing"

Mandatory sentencing increased youth aids \$16,000 at the same time decrease state aid

9. *Ann Capela**Walworth County Human Services Administrator***Block Grants*

Block grants are a scam

It basically results in less money for the counties, especially the rural one.

Budget a three-legged stool

1. Lock 'em up
2. Income taxes
3. Promised services

State should take back the courts

Has rural school that does not fall under the schools 2/3's funding

10. *Helen Kraus**Rock County Local Public Health**

Dollars are always being decreased as new formulas are established

There is no public health agenda

11. Jerry Sveum

Grand Avenue Pharmacy

Reimbursements for pharmaceuticals

Worried about the 18 million drug funding

New drugs are extremely expensive

Will result in less medicine for people

This might result in not honoring Medicaid prescriptions at pharmacies

12. *Valerie Fjalstad

Lifespan Respite Care

Will alleviate some of the many problems we here about that are more than three years time.

Also cuts down on the need for permanent care facilities if some respite care was available

Supports the Robson/Baldwin Bill to provide lifespan respite bill

13. * Mat Haeger

Rock County Health Department

Children with special health care needs

MCH funding is too strict

Consolidation does not allow for flexibility to do local pilots and address local needs and services

State siphons these dollars off

14. Emma Seweger

Respite care

Respite is the only thing that keeps her family together

Would like to see respite for work hours

Systems are not in place to address these concerns

Put in school until a certain age, and sometimes have to stay out of school for up to a year

Strongly supports the lifespan respite bill

15. *Debra Shanley

Caregiver Background Checks

Has huge impact on people

Sets a tone of allegation, abuse, and reliving crimes, some as old as twenty years

Nursing wage out of college is \$7.50, \$2 per hour less than McDonald's hourly wage

Punitive nature of the business has to STOP

Supports wage pass through

16. *Timothy C. Banwell

Rock County Health Department

PECFA

Worried about PECFA

Proposed alternative—remove high-risk tanks before they leak.

17. Dorothy Knutson

Respite care bill

Here to support lifespan respite care bill

Could afford to give up the rights if they stayed at home and raised the child as a foster parent

18. *Tom Larsen

AFSCME Council 40

Family Care

Youth Aids

19. Craig Knutson

Rock County

Never have counties been so angry at the state

20. Char Schooner

Life span respite bill

Respite Care is a huge problem for her

Her husband has Huntington disease

She can't find the help out there that she needs

On a COPS list 2 years long

Support the Lifespan Respite Care Bill

21. *Gwen Daluge

AARP

Family Care

Here to say some good things about it

Like the funds following the consumer instead of the other way around

Like the pilots and the number thereof

Want changes made after what we learn from the pilots, but don't want to interrupt services

Don't want counties to have to compete until after four years

Wants more money for COPS program

22. Julie Elliot

W-2 and education

Received AFDC for 5 years

Hated the stigma of being on welfare

It saved her family

Received a grant of \$517 a month AND allowed her to get an education

Got a BA in Madison

Only way she got out of poverty was through education

She could not do that under the current W-2 system

20,000 students have been forced to stop getting an education and take up minimum wage jobs under W-2

Poor people, especially women need access to higher education

W-2's you go girl attitude implies that you can start at the bottom and work your way up

This is not true if you have a family. Her chances of working her way up under W-2 simply does not exist

Want education and training expanded

Allow work-study

Allow 20 hours a week instead of 35 if they are working towards education

23. *Ed Reich

Keep the centers open

25. Robert Kellerman**Director of Area Aging Agency, including Rock County***Long Term Care and Aging*

Family Care needs its chance to work

Likes the one stop shopping

Three essential elements

1. Entitlement for home care services
2. Consumer Choices
3. Community Resources

Nutrition is important too.

Transportation support is essential
