SENATE TRANSPORTATION COMMITTEE

APRIL 14, 1999

Testimony, Carson P. Frazier

AB 54: optional dealer plates for motor vehicle salvage pools:

- This bill makes it ***optional, not required***, that salvage pools purchase dealer plates.
- Salvage pools virtually always sell vehicles on consignment. In a consignment sale, the dealer does not own the vehicle – the seller still owns the vehicle until it is sold, and then title passes directly from the seller to the purchaser.
- Dealer plates must be used on vehicles that dealers ***own or repossess***. Therefore, it is virtually always the case that salvage pools are required to purchase dealer plates when they have no need of the plates.
- Salvage pools may occasionally own vehicles that they sell, and therefore should have the option to purchase dealer plates if they need them.
- This bill makes no changes to licensing requirements for salvage pools, except this one requirement for purchasing dealer plates.
- Fiscal impact is minimal.
- We request this bill to eliminate an unnecessary requirement for salvage pools.

RE: Paper Ballots

Attached, please find six (6) paper ballots for your consideration. All but one of these bills were the subject of today's hearing. The first five motions are all supported by the Department of Transportation and all passed the Assembly on voice votes. Also attached, is a motion for passage of Senate Bill 13 related to school start.

I would appreciate it if you would complete and return these ballots at your earliest convenience. *I am also tentatively planning another Committee hearing for April 28th.* While I have not noticed the hearing, I wanted to give you advance notice.

As always, please feel free to contact me should you have any questions or concerns. If I am not available, please ask to speak with Vaughn.

State Representative

Senator Roger Breske, Chair
Senate Insurance, Tourism, Transportation
and Corrections Committee
18 South, State Capitol
Madison, WI 53707

Dear Senator Breske: *Roger*

I would like to bring your attention to five bills, Assembly Bills 54, 55, 56, 58 and 59, which have been referred to the Senate Insurance, Tourism, Transportation and Corrections Committee.

As you know, all five of these bills were introduced at the request of the Department of Transportation. Assembly Bill 54 makes the purchase of dealer plates by motor vehicle salvage pools optional. Assembly Bill 55 eliminates the mandatory revocation of a dealer license for misuse of dealer plates. Assembly Bill 56 equalizes the penalties for noncompliance with the Single State Insurance Registration System. Assembly Bill 58 eliminates the word "retail" in statutory references relating to motor vehicle auction dealer penalties and Assembly Bill 59 eliminates the three remaining statutory specified vehicle registration expiration dates.

During the public hearings on these bills, no one testified or registered in opposition. All of them were unanimously approved by the Assembly Transportation Committee and passed the Assembly on voice votes. Thus, I am respectfully requesting that Assembly Bills 54, 55, 56, 58 and 59 be scheduled for consideration by your committee. If you have questions regarding any of these bills, please let me know.

Thank you for your consideration of this request.

Sincerely,

David A. Brandemuehl
State Representative
49th Assembly District
