Hi Dan! Since we've been playing phone tag a bit lately, I thought I'd send you an e-mail instead.

Wayne wanted me to talk with you re: AB 155, which is pending in the Judiciary Committee. He was hoping that you could schedule it for a hearing in the near future. Wayne had an amendment added in the Assembly in which our sheriff in Rock County is interested.

If you have any questions about this, please call me at 6-7503 or you can e-mail back.

Thanks!

Hi Dan,

Some time ago I spoke with you regarding Assembly Bill 155, relating to local ordinances governing drug paraphernalia. The bill passed the Assembly last May and is currently in the Senate Judiciary Committee. When we discussed this last, you indicated Senator George wanted to check with DOJ to see if the department had any objections to AB 155.

I am writing now to follow up on this issue. Have you had a chance to check with the department? If so, what was the response?

Representative Wood is quite interested in moving this bill forward. The sheriff in Rock County has been in contact with our office several times to urge passage of this legislation. It is Wayne's hope that the Judiciary Committee will schedule a hearing on AB 155 in the near future.

Please feel free to contact me if you have any questions.

Sincerely,

Traci Peloquin
