State Senator Gary George  
Chairman, Senate Committee on Judiciary and Consumer Affairs  
State Capitol, Room 118 South

Dear Senator George,

Last month, Assembly 312 and Assembly 535 passed the Assembly with bi-partisan support and were referred to the Senate Committee on Judiciary and Consumer Affairs.

As lead author on both of these important pieces of legislation, I respectfully request a hearing being held and that the committee look favorably upon them. Assembly Bill 312 would close numerous loopholes in the current parental consent laws for a minor to receive an abortion; Assembly 535 would statutorily prohibit "wrongful birth and wrongful life" lawsuits in Wisconsin.

If you have any questions or need any further information, please do not hesitate to contact me. Thank you for your consideration.

Sincerely,

**Neal Kedzie**
