(c) A permanency plan under s. 48.38 is required for each child placed in a group home under par. (b) and for any child of that child who is residing with that child. On receipt of a revised permanency plan or plans and a request for review, the independent reviewing agency shall set a time and place for the review and shall advise the agency that placed the child or that arranged the placement of the child of the time and place of the review.

4. Not less than 10 days before the review, the agency that placed the child or that arranged the placement of the child shall provide a copy of the revised permanency plan or plans and the request for review submitted under subd. 3. and notice of the time and place of the review to the child, the parent, guardian, and legal custodian of the child, and the operator of the group home in which the child is placed, together with notice of the issues to be determined as part of the permanency plan review and notice of the fact that those persons may have the opportunity to be heard at the review by submitting written

If the independent reviewing agency determines that the extension is not in the best interests of the child or that the child and the parent or guardian of the child do not consent to the extension, the independent reviewing agency shall, in writing, disapprove an extension of the placement, stating the reason for the disapproval, and the agency that placed the child or that arranged the placement of the child may not extend the placement of the child past the expiration date of the voluntary placement unless the agency obtains a court order placing the child in the group home after the expiration date of the voluntary placement. Notwithstanding the approval of an extension under this subdivision, the child or the parent or guardian of the child may terminate the placement at any time during the extension period.

6. Within 30 days after the review, the agency that prepared the revised permanency plan or plans shall prepare a written summary of the determinations specified in s. 48.38 (5) (c) that were made under subd. 5. and shall provide a copy of that summary to the independent reviewing agency, the child, the parent, guardian, and legal custodian of the child, and the operator of the group home in which the child was placed.
