

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBs0014/1dn
RJM&JTK:wlj:ch

January 23, 2001

Representative Ladwig:

Attached is the amendment you requested regarding voter identification cards. The wording of the amendment is intentionally broad, in order to allow the elections board to explore the potential role of municipal officials in distributing the identification cards and to explore the possibility of issuing identification cards only to those electors who have no other form of identification. Please call if you have any questions.
