2001 ASSEMBLY BILL 14

January 16, 2001 – Introduced by Representatives Sherman, Berceau, Ziegelbauer, Powers, Miller, Boyle, Sykora and Gronemus, cosponsored by Senators Jauch and Plache. Referred to Committee on Children and Families.

- 1 AN ACT *to amend* 49.155 (3m) (d) of the statutes; **relating to:** use of child care funds to provide care for a child by a licensed child care provider who resides
- with the child and who is not a parent of the child.

Analysis by the Legislative Reference Bureau

Under current law, the department of workforce development is required to reimburse a day care center that has been licensed by the department of health and family services (DHFS), a family day care provider that has been certified by a county department of human services or social services (county department), or a day care program that has been established or contracted for by a school board, or distribute funds to a county department, for child care services provided to a person who is eligible for a child care subsidy under the Wisconsin works program. Current law, however, prohibits those funds from being used to provide child care for a child by a person who resides with the child, unless the county department determines that the care is necessary because of a special health condition of the child. This bill permits those funds to be used to provide child care for a child by a person who resides with the child if the person is licensed by DHFS to operate a day care center and is not a parent of the child.
