

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-1042/1dn
RNK:jld:km

November 21, 2000

This draft is a redraft of 1999 AB-272. Please note that in 1999 Act 9, a new preference category was created with regard to the issuance of wild turkey hunting licenses to nonresidents. That category gave fourth preference to qualified nonresident landowners. Current law specifies that a qualified nonresident landowner is a nonresident who, among other things, agrees to allow other persons to hunt wild turkeys on the land with the landowner's permission. Do you want this draft to eliminate the requirement that the nonresident landowner must agree to allow other persons to hunt wild turkeys on the landowner's land in the same manner that the requirement has been eliminated in the draft for resident landowners? If so, please contact me and I will redraft accordingly.
